Recall #: H6S | Multi-Model NADI Airbag Inflator Recall Date: 2020 Jan 22

Recall Description

American Honda Motor Co., Inc. (Acura) is recalling certain model year 2001-2002 3.2CL, 2000-2003 3.5RL, 2000-2001 3.2TL, and 2001-2002 MDX vehicles. These vehicles may have received a replacement driver frontal airbag module as part of a vehicle repair. Due to a manufacturing issue, the replacement NADI inflator may absorb moisture, causing the inflator to rupture or the airbag cushion to underinflate.

Remedy

Please call any authorized Acura dealer and make an appointment to have the driver frontal airbag inflator inspected and, if necessary, replaced with an inflator of a different design for free. For additional questions or to get help locating a dealer, owners may contact American Honda's Customer Support & Campaign Center at 1-888-234-2138.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact ACURA or visit Acura's website. (<https://www.acura.ca/recalls>)

ICBC Disclaimer

The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and relicensed
- wrecked vehicles that have been decommissioned and can only be resold for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://apps.icbc.com/registration/schr2/limitation.html>.

ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.

Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.
